The Transforming Bra

By CoolAlmonds

Adam was going to sneak into the girls locker room. It's not that he was a pervert- Sarah Martin had been his mortal enemy since grade school. They also had been crush C"Fuck you, Sarah," Adam thought as he approached the entrance to the girls locker room. CPurely necessary purposes," Adam repeated to himself, sounding a bit like he was trying to convince himself. He had wasted a minute or two thinking to himself, so he needed to be quick. He turned the corner. There! He recognized the gray sweater she'd been wearing that day, and moved toward it. CSo I won't have to dig through her clothes," Adam thought, feeling more than a little nervous. He grabbed the bra, held it to his face, and breathed in. It smelled just like her. C...and so I said, where would you even get a pizza like that?" It was Sarah's voice. Fuck.

Adam dropped the bra, and ran. Just before the girls turned the corner, he made his escape. Sarah walked with her friend Jenny over to the benches. They were talking about the pizza. Meanwhile, Adam was somehow even redder than before. He stood only 5 feet from Sarah. CHey Jenny, would you mind looking at my boobs for a minute?"

Adam froze. His dick did not.

CUh... yeah sure. Why though?" said Jenny, cheerfully, if a bit confused.

CI thought I saw a red mark on it..." she said, pulling up her swimsuit top. CDo you want to see? CNo, not here," said Jenny. CHere, let me take a look at the other one."

Listening to Sarah talk about her boobs was not helping Adam ignore the increasingly obvious. CWhatever, I guess it was nothing. Let's go get changed." Sarah and Jenny walked away.
